1	Introduction
1.1	One Vision Housing (OVH) is committed to providing quality, responsive and timely services that consistently meet or exceed our customers' expectations. The customer is at the heart of everything we do and we use all forms of customer feedback to continuously improve the quality of the services that we provide.
1.2	At OVH we realise that despite our best efforts, we may not always get things right for our customers. When this happens we will act quickly to resolve a problem to the customer's satisfaction, keep the customer informed of our actions, advise of how we will learn from the experience and do things differently to prevent it happening again.
1.3	We also recognise that occasionally, customers may disagree with decisions that OVH make. To ensure fairness, we operate an appeals process to allow customers to challenge decisions and request they are reconsidered.

### 3 Policy

3.1 OVH has merged its Policy response for complaints, appeals and general customer feedback into one Policy document given the similarities that exist in the stages of investigation, timescales for customer response and intention to use these forms of feedback to drive continuous improvement in service delivery.

3.1.1 Listed below are issues that are common to OVH’s approach to both the investigation and response to complaints and general appeals. Where there are differences in response these are clearly indicated:

3.1.2 If for any reason OVH are not able to resolve an issue to a customer’s satisfaction at the first point of contact or they are not satisfied with a decision that OVH has made in line with its published policies, customers may request that it is dealt with through the internal investigation process (see 3.1.4 below).

3.1.3 OVH will make a decision on the most appropriate channel to deal with the issue, based on the information supplied and will advise the customer in the acknowledgement contact or letter.

#### 3.1.4 Internal Complaint and General Appeal Investigation Stages

	Complaints	General Appeals
<b>Stage1</b>	<p>The complaint will be acknowledged within two working days and the customer will be advised who will be investigating.</p> <p>The investigating officer will endeavor to make contact with the customer(s) or their advocate (where OVH have clear consent from customer(s) to deal with a third party) to obtain more details.</p> <p>A full response will be provided within ten working days (unless the investigation requires more time, in which case the customer(s) will be advised of the revised timescale). The customer(s) will receive a letter outlining OVH’s response and any actions / timescales that will apply to remedy the complaint, if applicable</p> <p>Where a formal complaint has been resolved quickly (i.e. within three working days) to the satisfaction of the</p>	<p>Procedure and timescales for response to general appeals is the same as stage 1 for complaints.</p> <p>Common factors which may form grounds for general appeals include (but are not exclusive of) the following:</p> <ul style="list-style-type: none"> <li>• Where OVH has not taken into account an individual or groups circumstances or needs when making decisions</li> <li>• Where OVH have not considered or had access to all relevant information</li> <li>• Where OVH has acted outside its stated policies</li> <li>• Where an individual or group is unfairly disadvantaged in any way as a result of decisions made</li> </ul> <p>Non-exhaustive examples of grounds for general appeal include:</p> <ul style="list-style-type: none"> <li>• Appeals against ineligibility for Independent Living services</li> </ul>

	<p>customer, OVH will close the case and may not provide a written communication if the customer agrees.</p>	<p>following needs and risk assessment</p> <ul style="list-style-type: none"> <li>• Refusal of aids and adaptations requests</li> <li>• Investment works decisions</li> <li>• Decisions on Right to Buy or Right to Acquire applications</li> <li>• Decisions on service charges</li> </ul>
<p><b>Stage 2</b></p>	<p>If the customer(s) is not satisfied with the outcome from Stage 1 they may escalate their case to Stage 2.</p> <p>The complaint will be acknowledged within two working days and customer(s) will be advised who will be investigating.</p> <p>The case will be reinvestigated by a more senior member of staff than dealt with the issue at Stage 1.</p> <p>If agreed between the investigating officer and the customer or specifically requested by the customer, a meeting may be arranged for the case to be discussed in person at an agreed location.</p> <p>Customers that chose to attend a meeting may be accompanied, as long as they advise OVH who this will be and in what capacity, two days before the meeting is due to take place. They may also submit evidence (again giving two days' notice).</p> <p>After the stage two investigations are completed the customer will normally receive a full reply normally within 10 working days (unless advised otherwise as above).</p>	<p>If the customer(s) is not satisfied with the outcome from Stage 1 they may escalate their case to Stage 2.</p> <p>The response for stage two appeals will mirror that for the stage 2 complaints (opposite).</p>

3.1.5.1

Where OVH believes complaints are being made in an unacceptable way such as persistent, vexatious or malicious complaints, they may manage the complaints outside of formal timescales and OVH may invoke its Unacceptable Behaviour Policy.

3.1.5.2

This may allow OVH to liaise with external support agencies such as the Housing Ombudsman and consider the best course of action to resolve a complaint.

3.1.5.3	Where this happens OVH will write to the complainant advising of their decision and what that means for their contact with the organisation. Where a customer has raised multiple complaints or appeals, a customer may be designated a single point of contact to ensure consistency.
3.1.5.4	OVH will only escalate cases when the substance of the case remains the same as Stage 1. If new elements are raised, which would result in a substantially different resolution than would have been offered at Stage 1, a new case will be opened.
3.1.6	Stages 1 and 2 of the complaints and general appeals process are also available in the cases of collective disputes.
3.1.7	Stages 1 and 2 of the complaints investigation process will be available to non-OVH customers (third parties) but they will not be able to pursue matters further via the external complaint process outlined below (see 3.3).
3.1.8	The general appeals process will be available to all parties, with whom there is a connection and associated impact in the delivery OVH services.
3.1.9	OVH will not normally investigate complaints or hear appeals that relate to matters that are found to have occurred six months or more before being reported, unless the customer can demonstrate extenuating circumstances or OVH acknowledges that there may be ongoing / unresolved issues.
3.1.10	Similarly OVH will not accept escalation between stages of the internal complaints and appeals process where six months or more elapses between stages, unless extenuating circumstances can be demonstrated. If exceptions are accepted these will be at the discretion of the Customer Insight and Performance Team
3.1.11	<p>OVH may also refuse to investigate complaints or hear appeals in the following circumstances:</p> <ul style="list-style-type: none"> <li>• Where legal proceedings have commenced (although customer will be kept informed of the status of their complaint or appeal)</li> <li>• Where the same issue has previously been investigated and resolved to the customers satisfaction (unless there is continued service failure)</li> </ul>
3.1.12	Where OVH refuses to investigate complaints in the above circumstances a letter will be sent to the complainant outlining the reasons why this course of action has been taken.
3.2	<b>Complaints received via social media</b>
3.2.1	Where OVH receives complaints via social media (and it is clear that a complaint is being made and not general commentary or a request for service) it will log the complaint and endeavor to respond direct to the complainant, within the timescales outlined in 3.1.4 above (not publically), where their details are known.
3.2.2	As far as is possible, OVH will look to maintain confidentiality for complaints received in this way in line with data protection principles and the provisions set out in its Data Protection Policy.

3.3	<b>External Complaints and Appeals Process</b>
3.3.1	Where the internal complaints and appeals process is exhausted and the customer(s) is not satisfied with the response they have received, they may if they choose, attempt to seek a local resolution by approaching a 'Designated Person'.
3.3.2	<p>A 'Designated Person' can be any one of the following:</p> <ul style="list-style-type: none"> <li>• A Local Councillor from the area (where the customer lives)</li> <li>• A Member of Parliament (MP) for any constituency (nationally)</li> <li>• A Designated Tenants Panel (recognised by OVH)</li> </ul>
3.3.3	The role of a 'Designated Person' is to give an independent view on whether they think OVH have acted reasonably during the handling of the case through the internal process. They may make recommendations to OVH or offer to mediate between the two parties.
3.3.4	OVH will provide a report of all actions taken and copies of correspondence relating to the internal process to the customer's choice of 'Designated Person'.
3.3.5	<p>If a customer indicates they would like to engage the services of a Designated Tenants Panel, OVH will give them a means of making contact and will facilitate a meeting between the two parties, usually within 10 working days of the request being submitted (subject to availability). This will include:</p> <ul style="list-style-type: none"> <li>• Informing the customer of the date and time of the meeting</li> <li>• Providing a venue for the meeting to take place</li> <li>• Forwarding on any correspondence relating to the complaint or appeal, including a written account of the Panel's decision after the meeting has taken place (usually within five working days of the meeting taking place)</li> </ul>
3.3.6	Other than the facilitating role the Designated Complaints Panel will act completely independently of OVH.
3.3.7	<p>OVH will normally recognise only one 'Designated Tenants Panel'. To be recognised the tenant members will need to have:</p> <ul style="list-style-type: none"> <li>• Received training on OVH's complaint, appeal and feedback handling process</li> <li>• Signed a confidentiality clause agreeing not to discuss cases or customer details outside of the confines of any panel meeting</li> <li>• Signed a code of conduct agreeing to act impartially and fairly when assessing complaints raised</li> </ul>
3.3.8	If OVH become aware that any Designated Tenants Panel member is not acting in accordance with the above criteria they will be asked to take no further part in future panel meetings.
3.3.9	If a customer is still not satisfied with the response and outcome from OVH after having had their complaint reviewed by a 'Designated Person', they may take their complaint to the Independent Housing Ombudsman.
3.3.10	The Independent Housing Ombudsman will only review cases:

	<ul style="list-style-type: none"> <li>• That have exhausted OVH's internal complaint and appeal handling process</li> <li>• Are referred by a 'Designated Person' or have the authorisation from the 'Designated Person' to be forwarded directly from the customer</li> <li>• Where a 'Designated Person' has reviewed a complaint but it remains unresolved</li> <li>• Where customers make direct referrals when eight weeks have elapsed from the end of the internal complaints process</li> </ul>
3.3.11	<p>OVH will act upon and fully implement any recommendations or determinations that are made as a result of cases that have been reviewed by the Independent Housing Ombudsman.</p>
3.4	<p><b>Statutory Appeals</b></p>
3.4.1.1	<p>In addition to 'general appeals' there are a number of areas of service delivery where OVH customers have a legal right to an internal appeal, known as 'statutory appeals'.</p>
3.4.1.2	<p>All statutory appeals are on a 1 stage process and will be heard via an appeal meeting, at which the customer may choose to make personal representation, submit evidence and be accompanied by a person of their choice, giving OVH 48 hours' notice in advance of the meeting. All statutory appeals will be heard by a more senior officer than sanctioned the original decision.</p>
3.4.1.3	<p>Any subsequent changes to this evidence or change of the person accompanying may result in the review being postponed, the evidence not being considered or a refusal to hear the tenant(s) representative.</p>
3.4.1.4	<p>If having requested an internal appeal hearing the tenant(s) fail to attend or inform OVH of the reasons why they cannot attend, the reviewing officer may proceed with the hearing in their absence.</p>
3.4.1.5	<p>On a discretionary basis OVH may choose to postpone a hearing if requested by the tenant(s) and there is a justifiable reason for doing so or if the person due to hear the appeal is unavailable for any reason.</p>
3.4.1.6	<p>This may, however, not always be possible if the delay would prevent OVH from taking expedient legal action to remedy a tenancy breach or it would result in hearings being outside the permitted legal framework.</p>
3.4.1.7	<p>If during the course of a hearing an adjournment is requested by either OVH, the tenant(s) or their representatives and a further meeting is necessary, OVH will give reasonable notice of the date, time and venue of the adjourned hearing.</p>
3.4.1.8	<p>When hearing internal statutory appeals, the reviewing officer will assess the following:</p> <ul style="list-style-type: none"> <li>• If the legal procedures and notice periods have been adhered to in serving of notices or letters sent to tenant(s) advising of actions to be taken</li> <li>• It was appropriate in terms of evidence provided</li> <li>• The decision will stand up to scrutiny</li> </ul>
3.4.1.9	<p>Statutory appeals and the timescales that will apply are as follows:</p>

3.4.2	<b>Decision to extend or terminate starter tenancies</b>
3.4.2.1	Customers who want to appeal against this decision must inform OVH in writing within 14 days of the notice or letter being served, advising them of its decision to extend or terminate the starter tenancy.
3.4.2.2	After carrying out a review, where the appeal is against the decision to terminate a starter tenancy, OVH will notify the customer of the results in writing before the date the possession proceedings begin as specified in the notice or letter seeking possession.
3.4.2.3	If the appeal is against the decision to extend a starter tenancy, OVH will inform the customer of the outcome of the review in writing before the 12 month anniversary of the starter tenancy.
3.4.3	<b>Decision to seek possession of a property on a demoted tenancy</b>
3.4.3.1	Customers who want to appeal against OVH’s decision to seek possession of a property on a demoted tenancy, must inform OVH in writing within 14 days of receipt of the Notice Seeking Possession being served.

3.4.4	<b>Decision to decline applications for mutual exchange or succession</b>
3.4.4.1	If applicants wish to appeal against a decision made concerning their mutual exchange or succession application, they should inform OVH in writing within 10 days of being informed of the decision to refuse their application. OVH will inform the applicant of the outcome within 10 working days of the hearing date of its decision.
3.4.5	<b>Decisions to seek possession on assured tenancies under the Anti-Social Behaviour, Crime and Policing Act, 2014</b>
3.4.5.1	Customers can request a review of OVH’s decision to seek possession under the absolute ground for possession as per the Anti-Social Behaviour, Crime and Policing Act, 2014. The appeal should be made in writing within 7 days of the notice to seek possession being served on the tenant.
3.4.5.2	OVH will communicate the outcome of the review to the tenant in writing before the date on which proceedings for possession may be commenced.
3.5	<b>Complaints and Appeals about the operation of the Sub-regional Choice Based Lettings Scheme (Property Pool Plus - PPP)</b>
3.5.1	OVH performs the role of Scheme Administrator on a contractual basis on behalf of Sefton MBC. Applications to join the Sefton social housing register are administered in line with the local authorities PPP Allocations scheme policy, see <a href="http://www.propertypoolplus.org.uk">www.propertypoolplus.org.uk</a> .

3.5.3	<p>If the customer is not satisfied with the response that OVH provides, they may escalate their complaint or appeal to Stage 2. All Stage 2 complaints and appeals, however, will be investigated and responded to by Sefton MBC direct.</p>
3.5.4	<p>In these circumstances and in accordance with established information sharing protocols, OVH will share all correspondence and actions taken at the Stage 1 investigation with Sefton MBC.</p>
3.5.5	<p>If the customer is still not satisfied, once all investigations are concluded and a response has been provided at Stage 2 by Sefton MBC, they may choose to forward the complaint or appeal to the Local Government Ombudsman.</p>
3.5.6	<p>If the customer chooses to pursue this option it will not be necessary to go through the 'Designated Person' route or wait any specific timescale once the complaint investigation is complete and a response has been provided at Stage 2.</p>
3.5.7	<p>The above arrangements for dealing with complaints or appeals are in relation to the PPP scheme in the Sefton area only. Separate arrangements will exist for other local authorities that participate in the PPP scheme and where OVH participates in alternative choice based lettings schemes.</p>

3.6.1	<p>OVH will maximise all types of formal and informal customer feedback in order to drive service improvement.</p>

The information is used to identify improvement opportunities and may trigger a service review and remedial actions when there are any dips in performance.</p>

4.3	Where required, the review of OVH published policies will take place at the earliest possible opportunity, subject to the availability of customer representatives and internal resources. Where this type of review is agreed, OVH will close the case and write to the customer to inform them of the outcome and how the situation will be remedied.
4.4	After a case has been closed, OVH will keep the customer informed of actions being taken including any changes made to the policy.
