1	Introduction
1.1	As responsible landlord, One Vision Housing (OVH), aims to provide appropriate support and housing management services to any customer(s) who may be at risk, has suffered or is suffering any form of harassment or hate crime / incidents.
1.2	<p>Previously OVH’s provisions for dealing with all forms of harassment / hate crime, anti-social behaviour and domestic abuse were contained in one Policy. In recognition that these issues will affect people differently and require a tailored response, OVH have now developed three separate but interlinked Policies that should be read in conjunction with each other, as follows:</p> <ul style="list-style-type: none"> ● The OVH Anti-Social Behaviour Policy ● The OVH Domestic Abuse Policy ● The OVH Harassment and Hate Crime Policy
1.3	In operating this Policy, OVH intends to send out a clear message that it will not tolerate harassment or hate crime directed to or from any of its customers, directly employed staff or those acting on OVH’s behalf.
1.4	<p>When OVH becomes aware that harassment or hate crime has or is taking place involving any of the groups of people outlined above it will endeavour to take the most effective and expedient action to:</p> <ul style="list-style-type: none"> ● Protect and support survivors and witnesses ● Stop escalation ● Where possible, ensure known perpetrators receive appropriate punitive measures
1.5	<p>In operating this Policy, OVH will comply with all legal and regulatory requirements in regard to harassment and hate crime / incidents, including but not exclusive of the following:</p> <ul style="list-style-type: none"> ● Any requirements of revised Regulatory Standards to be adopted by the Regulator of Social Housing ● The requirements of the Equalities Act 2010 ● Any breaches of the Crime and Disorder Act 1998 or Criminal Justice Act 2003 specifically in relation to behaviours directed at people related to their protected characteristics or perceived characteristics

<p>1.6</p> <p>1.6.1</p> <p>1.6.2</p> <p>1.7</p> <p>1.7.1</p> <p>1.7.2</p> <p>1.7.3</p>	<p>Access and Communication</p> <p>OVH is committed to ensuring that our services are accessible to everyone. OVH will seek alternative methods of access and service delivery where barriers, perceived or real may exist, that may make it difficult for people to work for OVH or use its services.</p> <p>In line with the Mental Capacity Act, OVH will assume that customers have capacity to understand information given to them. Where it is suspected that customers lack capacity to understand, OVH will request an assessment by a professional practitioner and look to provide the appropriate support where capacity is deemed to be insufficient.</p> <p>Equality, Diversity and Human Rights</p> <p>OVH is committed to ensuring that no person or group of persons will be treated less favourably than another person or group of persons and will carry out its duty with positive regard for the following core strands of equality; Age, Disability, Gender, Race, Gender Identity / Gender Expression, Sexual Orientation, Religion and/or Belief, Civil Partnership and Marriage, Pregnancy and Maternity.</p> <p>OVH also recognise that some people experience disadvantage due to their socio-economic circumstances, employment status, class, appearance, responsibility for dependants, unrelated criminal activities, being HIV positive or with AIDS, or any other matter which causes a person to be treated with injustice.</p> <p>OVH will also ensure that all services and actions are delivered within the context of current Human Rights legislation. OVH will endeavour to ensure staff and others with whom it works, adhere to the central principles of the Human Rights Act (1998).</p> <p>The Policy should be read in conjunction with:</p> <ul style="list-style-type: none"> • OVH Safeguarding Adults Policy • OVH Safeguarding Children Policy • OVH Anti-social Behaviour and Harassment Policy • OVH Allocations Policy • OVH Data Protection Policy • OVH Equality, Diversity and Inclusion Policy • Property Pool Plus Policy (and other similar choice-based lettings schemes that OVH may be a member of)
<p>2</p> <p>2.1</p> <p>2.2</p>	<p>Statement of Intent</p> <p>In operating this Policy and the procedures that underpin it, OVH makes a clear statement of intent that it will adopt a zero-tolerance stance to all forms of harassment or hate crime / incidents directed to or from its customers, to or from staff or others working on OVH’s behalf.</p> <p>OVH will provide training for all front-line staff on understanding harassment and hate crime issues so that they may recognise and take appropriate actions when they are made aware of or witness these types of behaviour.</p>

2.3	Through the provisions contained in this and other Policies, OVH aims to promote cohesive and inclusive communities in the areas of its operations where there is tolerance and good relations between people regardless of their protected characteristics.
2.4	Through direct means, through sign-posting and close collaborative working with partner agencies OVH will aim to provide support for its customers or staff that are survivors of harassment and hate crime / incidents.
2.5	Where possible, i.e. there is strong evidence that individuals are responsible for perpetrating acts of harassment or hate crime / incidents against OVH customers or staff (or where customers or staff are found to be responsible for these types of behaviour) OVH will take appropriate enforcement actions.
2.6	This may include tenancy enforcement measures available to OVH as a landlord, civil actions, other legal remedies. Any OVH employee that is found to be responsible for this type of behaviour or actions will be subject to disciplinary procedures.
2.7	OVH will raise awareness of harassment and hate crime issues through information available via its website and by taking part in national campaigns such as 'Hate Crime Awareness Week'.
2.8	Through active participation in multi-agency forums within areas of operation, OVH will maintain strategic influence over the local provisions for dealing with harassment and hate crime issues and will look to provide a coordinated response with other agencies on cases involving OVH customers.

3 Policy

3.1	Definition and Scope
3.1.1	<p>In line with the Equality Act 2010, OVH will define 'harassment' as any type of behaviour or act that has the effect of or is meant to:</p> <ul style="list-style-type: none"> ● Violate another person's dignity ● Creates an intimidating, hostile, degrading or offensive environment
3.1.2	The above definitions may apply to any person or group of people, regardless of protected characteristics e.g. could relate to behaviour or acts directed at individuals because of their age and does not necessarily have to be proven as a criminal act.
3.1.3	<p>Similarly, OVH adopts a wider definition of 'Hate Crime' other than those where a criminal act has been committed / proven and instead will take action on 'hate incidents' where the survivor perceives that an act or behaviour has been motivated by hostility or prejudice based on:</p> <ul style="list-style-type: none"> ● Disability ● Race ● Religion ● Transgender identity / expression ● Sexual orientation

- Gender
- Age

3.1.4

Both harassment and hate crime / incidents can take many forms and can occur in a variety of settings and are often interchangeable i.e. hate crime / incidents are also likely to involve an element of harassment. For both issues covered by this Policy a non-exhaustive list of examples, where OVH will take action, includes:

- Verbal abuse like name-calling and offensive jokes
- Bullying or intimidation
- Physical attacks such as hitting, punching, pushing, spitting
- Threats of violence
- Hoax calls, abusive phone calls or text messages, hate mail
- Online abuse on social media platforms – (providing advice only to contact the Police or block communications under the provisions contained in the Malicious Communications Act 1988 but not investigating personal communications)
- Displaying or circulating discriminatory literature or posters
- Harm or damage to property, pet, vehicle
- Graffiti
- Arson
- Malicious complaints

3.2

Reporting Harassment and Hate Crime / Incidents

3.2.1

OVH will ensure there are numerous and accessible means by which customers can report harassment or hate crime / incidents including via:

- In-person contact with any directly employed employee during the course of their duties
- Telephone and text message to the OVH Customer Service Centre on **0300 365 1111** including the My Account Function
- At any office location where OVH staff may have a permanent or temporary presence
- Via email or letter to enquiries@ovh.org.uk or **One Vision Housing Limited, The Sovini Group, Unit 1, Heysham Road, Bootle. Merseyside, L30 6UR**

3.2.2

OVH will receive calls and alerts of harassment or hate crime incidents direct from those customers that may be experiencing these types of behaviours but also from third parties who may be aware or have witnessed this type of behaviour / incident.

3.2.3

Where reports are received from third parties on behalf of others (who are OVH customers) due to Data Protection and privacy issues it is highly unlikely that OVH will be able to provide feedback on follow-up actions to the person(s) raising the concerns.

3.2.4

In these circumstances OVH will endeavour to make contact with the OVH customer(s) and will make discreet enquiries to confirm if the concerns are genuine and if any on-going support / action is required.

3.2.5

Where anonymous reports are received or the concern is about OVH customers directing these types of behaviour towards others, OVH will carry out investigations to determine the validity of the issues raised before determining the most appropriate course of action.

3.2.6 OVH Customer Service Centre also acts as a '**Hate Crime Reporting Centre**' for third party reporting, meaning it will advise and make referrals for non-OVH customers wishing to raise concerns about harassment or hate crime / incidents. This will include contacting the Police (if appropriate) and making referrals to 'Stop hate UK' on a survivor or potential survivors' behalf.

3.3 **Responding to Harassment or Hate Crime / Incidents**

3.3.1 When it is apparent through observations, direct reporting or third-party reporting that someone is in immediate danger or risk of harm, OVH will take appropriate action which may include one or more of the following:

- Informing emergency services - (all reportees)
- Visiting the reportee within 24 hours and carrying out a risk assessment and agreeing an action plan (OVH customers only)
- Making Social Services aware of the potential case and raising appropriate Safeguarding alerts, if relevant (see OVH Safeguarding Children and Safeguarding Policies for details) – (all reportees)
- Making referrals to local authority Homelessness / Housing Options Departments (in the area where the suspected harassment or hate crime / incident is taking place) for emergency rehousing – (OVH customers only)
- On request, facilitating female only staff to assist survivors of harassment or hate crime / incident – (OVH customers only)
- Target hardening of the potential survivors' addresses (which can include a range of measures including but not exclusive of panic alarms, enhanced door and window security measures) – (OVH customers only)
- Applying for exparte injunctions – (OVH customers only)
- Referral to local fire authorities – (all reportees)

3.3.2 Secondary actions that may follow an immediate response and / or be used where the threat of immediate harm is less apparent may include:

- Working with the survivors of harassment or hate crime / incidents to compile evidence to support applications for rehousing within choice based lettings schemes (aiming to achieve priority banding)
- Providing advice and support on rehousing options
- Referral to external support and advocacy agencies relevant to the survivor(s) e.g. Survivor Support, Stop Hate UK, Anthony Walker Foundation
- Enforcement actions against perpetrators where these are also OVH customers (which may include tenancy enforcement actions or civil proceedings)
- Referral, where appropriate to the OVH Independent Living Service

3.4 **Exemptions and Support for Survivors of Harassment or Hate Crime / Incidents**

3.4.1 To ensure support is provided to the survivors of harassment or hate crime / incidents at times when they need it most, OVH will on a, case-by-case basis, look to show flexibility to normal Policy and practice responses to help achieve lasting outcomes.

3.4.2 This may include overriding tenancy breaches that would normally preclude individuals from moving to alternative OVH properties or achieving priority banding within choice-based lettings schemes e.g. where rent arrears exist or there have been other tenancy breaches.

3.4.3	To provide this type of support OVH will normally require support for the survivors' case by statutory agencies i.e. Police, Local Authority Social Services or via involvement of multi-agency groups such as the Joint Action Group (JAG).
3.5	Confidentiality
3.5.1	When investigating or making referrals in regard to harassment or hate crime/ incidents, OVH will always respect individual's rights for confidentiality and will comply with all requirements of UK Data Protection legislation.
3.5.2	<p>This will include the following:</p> <ul style="list-style-type: none"> • Working under established information sharing protocols when exchanging personal data with external agencies and partners • Ensuring all personal data that is gathered in response to a suspected or potential harassment or hate crime / incident is stored securely and is disposed of securely in line with data retention schedules and procedures (see OVH Data Protection Policy for details) • Only passing-on information to third parties and external agencies with the explicit consent of potential survivors of harassment or hate crime / incident (unless OVH has good reason to believe they are at risk or in danger of immediate harm and emergency intervention is required)
3.6	Partnership working and sign-posting services
3.6.1	OVH is committed to providing the best possible support to its customers that may experience harassment or hate crime / incidents and will work closely with a variety of organisations that can offer specialist advice, assistance and advocacy services.
3.6.2	As well as working with support agencies via referral, OVH will also ensure it provides easily accessible information (following 'two clicks' best practice principles) on its website so that those suffering harassment or hate crime / incidents can seek self-help and guidance.
3.6.3	OVH will also make an active contribution into strategic oversight of harassment and hate crime / incidents in its areas of operation, through involvement and membership of multiagency forums e.g. the JAG's.

4.3	Where OVH staff may feel they have been a survivor of harassment or hate crime / incidents during the course of their duties they should make their concerns known to their immediate Line Manager or the People and Learning Team. Issues of this nature will be dealt with in accordance with provisions contained in the internal OVH Grievance, Bullying and Harassment Policy.	
5	Performance	
5.1	OVH recognises the sensitive and personal nature of harassment or hate crime/ incidents, and will manage cases individually and discuss service satisfaction with customers where appropriate	
5.2	OVH will, however, record the time taken to respond to requests for support and will include this in monthly reporting alongside wider performance indicators to the Executive Management Team on a monthly basis.
