Originator:	Policy and Strategy Team
Executive Management Team Approval Date:	August 2024
Review date:	August 2027

1	Introduction
1.1	One Vision Housing (OVH) is committed to promoting equality, diversity and inclusion in everything it does from its employment practices through to the services it provides to its customers.
1.2	This Policy sets out how OVH will meet or exceed its legal requirements as outlined primarily in the Equality Act 2010 and the Human Rights Act 1998. The Policy also demonstrates how OVH will meet the requirements of Public Sector Equality Duties, (which it has chosen to adopt and implement as a matter of good practice rather than as a legal obligation).
1.3	The Equality, Diversity and Inclusion Policy also sets out how OVH will implement the Sovini Group’s Equality, Diversity and Inclusion Strategy in compliance with legislative requirements.
1.3.1	The application of this Policy ensures compliance with the outcomes of the Regulatory Framework for Social Housing in England, responsibility of the Regulator of Social Housing (RSH) as outlined below:
1.4	Registered providers must: <ul style="list-style-type: none"> <li>• Use relevant information and data to: <ul style="list-style-type: none"> <li>a) understand the diverse needs of tenants, including those arising from protected characteristics, language barriers, and additional support needs; and</li> <li>b) assess whether their housing and landlord services deliver fair and equitable outcomes for tenants</li> </ul> </li> <li>• Registered providers must ensure that communication with and information for tenants is clear, accessible, relevant, timely and appropriate to the diverse needs of tenants</li> <li>• Registered providers must ensure that landlord services are accessible, and that the accessibility is publicised to tenants. This includes supporting tenants and prospective tenants to use online landlord services if required</li> <li>• Registered providers must allow tenants and prospective tenants to be supported by a representative or advocate in interactions about landlord services</li> </ul>

1.5	As part of our commitment to embed equality, diversity and inclusion in everything we do each OVH Policy has standard clauses on ‘access and communication’ and ‘equality, diversity and human rights’ as set out below:
1.6	<b>Access and Communication</b>
1.6.1	OVH is committed to ensuring that its services are accessible to everyone. OVH will seek alternative methods of access and service delivery where barriers, perceived or real may exist, that may make it difficult for people to work for the organisation or use its services.
1.7	<b>Equality, Diversity and Human Rights</b>
1.7.1	OVH is committed to ensuring that no person or group of persons will be treated less favourably than another person or group of persons and will carry out its duty with positive regard for the following core strands of equality; Age, Disability, Gender, Race, Gender Identity / Gender Expression, Sexual Orientation, Religion and or Belief, Civil Partnership, Marriage, Pregnancy and Maternity.
1.7.2	OVH also recognises that some people experience disadvantage due to their socio-economic circumstances, employment status, class, appearance, responsibility for dependants, unrelated criminal activities, being HIV positive or with AIDS, or any other matter which causes a person to be treated with injustice.
1.6.3	OVH will also ensure that all services and actions are delivered within the context of current Human Rights legislation. OVH will endeavour to ensure staff and others with whom it works, will adhere to the central principles of the Human Rights Act (1998).
1.7	<p>This Policy should be read in conjunction with the following OVH Policies:</p> <ul style="list-style-type: none"> <li>● OVH Recruitment Policy</li> <li>● OVH Bullying Grievance and Harassment Policy</li> <li>● OVH Attendance Policy</li> <li>● OVH Aids and Adaptations Policy</li> <li>● OVH Anti-Social Behaviour, Domestic Abuse and Harassment Policy</li> <li>● OVH Vulnerable Persons and Reasonable Adjustments Policy</li> <li>● Sovini Group Equality, Diversity and Inclusion Strategy</li> </ul>
<b>2</b>	<b>Statement of Intent</b>
2.1	OVH has a mission statement to ‘creating opportunities and changing lives’ and therefore needs to attract and retain the best staff.
2.2	OVH will achieve this by being fair and consistent in its recruitment and employment practices, ensuring there are no real or perceived barriers that would prevent or deter any group with protected characteristics from working with OVH.
2.3	OVH will ensure it meets or exceeds all legal requirements in its employment practices and in the provision of services including the Public Sector Equality Duties which it has chosen to adopt as a matter of good practice.

2.4	OVH will work in partnership with other service providers and through its community development activities to promote and foster good relations with all groups with protected characteristics to create safe and sustainable neighbourhoods.
2.5	OVH will take a zero-tolerance approach to all forms of discrimination, bullying and harassment in the workplace including behaviour from or directed to its staff. It will also take swift and effective action for any incidents of hate crime involving its customers and will work with other agencies on finding lasting solutions wherever it occurs.

<b>3</b>	<b>Policy</b>
----------	---------------

3.1	<b><u>Recruitment Practices</u></b>
3.1.1	<p>When new vacancies become available as part of the ‘review process’ for the post, OVH will assess all job descriptions and roles to ensure:</p> <ul style="list-style-type: none"> <li>• The role does not lead to direct or in direct discrimination (whereby a person is treated less favourably than another person because of a protected characteristic – as defined by the Equality Act 2010)</li> <li>• The job descriptions, personal specifications and adverts do not contain any language or inferences that would put a person with a protected characteristic at a disadvantage</li> <li>• Job descriptions and personal specifications accurately reflect the requirements of the role</li> </ul>
3.1.2	<p>At the point of this Policy review, OVH did not have any job roles whereby it would be ‘objectively justified’ to favour a person with a protected characteristic over another who does not share that characteristic.</p>
3.1.3	<p>OVH will, however, consider the need to objectively justify roles on a case-by-case basis and will amend its recruitment practices accordingly.</p>
3.1.4	<p>As per the requirements of the Equality Act 2010, OVH will not ask any pre-employment health questions on any ‘on-line’ or ‘hard copy’ application forms. It will, however, ask disability related questions for the purposes of:</p> <ul style="list-style-type: none"> <li>• Monitoring the numbers of disabled applicants</li> <li>• To assist in the running of its ‘Disability Confident’ scheme, whereby all disabled applicants that meet the minimum job criteria will be guaranteed an interview (<b>Note:</b> the guaranteed interview scheme is also applicable to care leavers and those that have left the armed forces)</li> <li>• To make ‘reasonable adjustments’ to the recruitment process at assessment centre and / or interview where these are requested in advance</li> </ul>
3.1.5	<p>OVH will monitor the profile of all job applicants to ensure there are no real or perceived barriers for any group with protected characteristics from working with OVH.</p>
3.1.6	<p>OVH will take ‘positive action’ where it is recognised that there is a lack of applicants from certain groups with protected characteristics. This includes reviewing its job advertising procedures to ensure greater take up of applications from under-represented groups. This</p>

may include targeted advertising in specialist publications or making support and advocacy groups aware of vacancies.

3.1.7 OVH will strive to provide training to all managers and other staff who are involved in recruitment practices to ensure they have due regard for equality considerations when interviewing and selecting prospective candidates.

3.1.8 Any request for references will only be made once a decision by the recruitment panel (which will always include a representative from the People and Learning Team) has been made to ensure objectivity.

3.1.9 Further details on the OVH recruitment process are available in the OVH Recruitment Policy.

## 3.2 Working Practices

### 3.2.1 **Staff Profile Monitoring**

3.2.1.1 OVH requests that all employees provide 'equality monitoring information' on a voluntary basis. OVH uses this information to:

- Gain an understanding of the 'make-up' of its workforce
- Identify any under-represented groups and to inform actions to improve expressions of interest from these groups
- Ensure all support needs are being met
- Ensure recruitment and selection processes are fair and effective
- Create a culture of openness and honesty enabling people to be their true selves at work

### 3.2.2 Human Resources Policies

3.2.2.1 OVH values its staff as its greatest asset and strives to ensure that whilst working for OVH they obtain job satisfaction and reach their full potential. Central to achieving this aim is a comprehensive suite of human resources Policies which are regularly reviewed with staff input. OVH maintain the human resources Policies to:

- Ensure all staff, regardless of their identity and protected characteristics are treated fairly and consistently
- Ensure OVH meets all legal requirements in employment practices
- Ensure staff are aware of their employment rights including any company enhancements that exist with improved terms and conditions
- Ensure staff know the options that are available to them to take remedial action and receive support if they believe any of their employment rights have been breached in any way (including those relating to equality legislation)

3.2.2.2 Whilst all of the OVH human resources Policies are designed to support OVH's aim of being a fair and equitable employer, the following Policies have particular relevance in meeting equality duties:

- Bullying, Grievance and Harassment Policy – setting out OVH's zero tolerance stance to all forms of harassment in the workplace or associated with work related

activities. This Policy has close links with the Disciplinary Policy and OVH's commitment to fully investigate any allegations of harassment on any grounds and take action where staff are found to be responsible for these types of behaviour

- Family Friendly Policy – setting out the provisions OVH has in place to facilitate maternity, paternity, adoption and surrogacy arrangements
- Special Leave and Flexible Working Policy – Including details of OVH's response for dealing with flexible working requests (as outlined in the 'Children and Families Act 2014')

### 3.2.3 **Reasonable Adjustments**

3.2.3.1 OVH will meet the requirements of the Equality Act 2010 when considering any 'reasonable requests' for adjustments to the workplace or working practices to ensure disabled staff are not put at a substantial disadvantage. This may include:

- Removing or altering physical features of the workplace
- Providing auxiliary aids and equipment
- Altering working practices or the location where work takes place

3.2.3.2 Making reasonable adjustments will apply to any new member of staff with a disability but will also apply to any existing member of staff that develops a disability during the course of their employment with OVH.

### 3.2.4 **Provisions for Trans Employees**

3.2.4.1 OVH will ensure that it provides a working environment where transgender employees are supported and do not suffer any forms of bullying, harassment or detriment as a result of being trans status or the transitioning process (where steps are taken by an individual in order to live in the gender they identify as).

3.2.4.2 OVH appreciate there are many different routes that individuals may take in order to transition and will offer support to all staff undergoing or considering this process (both those that choose to undergo medical procedures and treatments and those that do not).

3.2.4.3 In order to provide the most appropriate form of support it will be necessary for the individual to inform their line manager or the People and Learning Team of their intentions. This is so support can be offered prior, during and after a transition process.

3.2.4.4 The line manager will keep the staff members trans status confidential and will work with the individual and the People and Learning Team on developing a personalised plan, outlining a pathway for how the individual wants the process to be handled.

3.2.4.5 This plan will set out key milestones and timescales including how and when colleagues are to be informed of the individual's decision and implementation of practical arrangements, including system updates, name change, facility use etc.

3.2.4.6 Where individuals require time off during the transitioning process e.g. to attend medical appointments they will be entitled to company and / or statutory sick pay and leave provisions, as outlined in the OVH Attendance Policy and as appropriate, according to length of service.

3.2.4.7	OVH will monitor any absence periods associated with the transitioning process and require staff to comply with the normal reporting requirements. This type of absence will be recorded separately from normal absence monitoring and will not be used as trigger points for disciplinary action (although all other absence monitoring requirements will still apply).
3.2.4.8	OVH will provide specialist training for any line manager whose reportees are transitioning, so that they can provide the most appropriate support to individuals and will ensure general awareness raising is available to wider colleagues.
3.2.4.9	OVH also advise all employees (including new employees) that have previously transitioned to inform their line manager and the People and Learning Team at the point of recruitment so on-going support can be offered.
3.2.5	<b><u>Support for Victims of Domestic Abuse</u></b>
3.2.5.1	In addition to the support that OVH provides to its customers that may be experiencing domestic abuse through the provisions set out in the 'Anti-Social Behaviour', 'Domestic Abuse', 'Harassment and Hate Crime', 'Allocations' and 'Safeguarding' Policies, OVH also supports staff members that may be in this situation.
3.2.5.2	If employees feel able to, they should make their line manager aware of any situations where they believe they are suffering domestic abuse, so that the appropriate support can be offered.
3.2.5.3	This may include consideration for reasonable adjustments in duties, hours of work or work location and approval of unpaid leave on a discretionary basis.
3.2.5.4	In extreme cases, OVH may also use its housing stock and powers to grant 'management lets' to staff members where alternative accommodation is required.
3.2.5.5	Line managers will work with staff that are victims of domestic abuse and will endeavour to uphold confidentiality at all times when dealing with wider team members in line with General Data Protection Regulation (GDPR) 2018. With the support of the People and Learning Team personalised plans for dealing with the domestic abuse will be developed with the staff member.
3.2.5.6	OVH have signed-up to the 'Make a Stand' pledge developed by the Chartered Institute of Housing and have appointed a Champion (Director of Housing and Customer Services) to ensure commitment to supporting victims of domestic abuse.
3.2.5.7	As part of this pledge, OVH will ensure it works in partnership with local, external advocacy groups that provide support for victims of domestic abuse and will make referrals to these agencies in consent with staff members, where appropriate.
3.2.5.8	If OVH believes a staff member is a victim of domestic abuse and has experienced or is at a risk of harm but has not disclosed the issue to the organisation (and is working on a managed response) it may be duty bound to make safeguarding alerts, as appropriate, following the procedures outlined in the Safeguarding Adults Policy.

3.2.6	<b><u>Menopause</u></b>
3.2.6.1	OVH is committed to developing a workplace culture that supports staff experiencing the menopause in order for them to feel confident to raise issues about their symptoms and ask for reasonable adjustments at work.
3.2.6.2	<b>Support for employees experiencing the menopause</b>
3.2.6.2.1	OVH will provide appropriate information and an optional e-learning training to all staff and managers to enhance understanding on the effects of the menopause and also to make it comfortable for people to discuss and address the impacts that menopause can have on employees in carrying out their roles.
3.2.6.2.2	OVH encourages employees who are experiencing the menopause to speak to their line manager or People and Learning Team to let them know if they are struggling with symptoms that may impact on their roles, so that appropriate support can be provided. Such information will be treated confidentially and in accordance with OVH Data Protection Policy.
3.2.6.2.3	Managers will make allowances where there is an additional need for absence by employees experiencing the menopause in order to manage their menopausal symptoms.
3.2.6.2.4	OVH recognises that employees experiencing the menopause may find that its related symptoms may impact on their health and wellbeing, and OVH will aim to provide as much support as is reasonably practicable for individuals.
3.2.6.3	<b>Agile Working Employees</b>
3.2.6.3.1	<p>Agile working employees will be assisted by the flexibility of working arrangements which include:</p> <ul style="list-style-type: none"> <li>• Flexibility around the taking of breaks, longer or more breaks during the working day</li> <li>• Adjust start and finish time, for example an employee who has had a sleepless night may attend work slightly later to help to make up for time that they have missed</li> <li>• Flexibility around attending menopause related medical appointments</li> </ul>
3.2.6.4	<b>Office or Location Based Employees</b>
3.2.6.4.1	<p>OVH will provide the following reasonable adjustments to the office or location-based employees who are experiencing the menopause to support them in their roles:</p> <ul style="list-style-type: none"> <li>• Environmental factors –OVH will: <ul style="list-style-type: none"> <li>○ Provide desk fans on request</li> <li>○ Review office seating plans so that affected employees can be near the window or open doors, or away from direct sources of heat such as radiators</li> <li>○ Fit blinds to windows</li> <li>○ Provide chilled drinking water</li> </ul> </li> </ul>

- Provide changing facilities for staff to change clothes during the working day
- Give employees time off to attend menopause related medical appointments
- Consider reducing the duration of travel and/or increase rest breaks for employees who are required to drive as part of their usual work pattern. This must be authorised by the relevant Director

3.2.6.5 Confidential support is available for individual employees from the Employee Assistance Programme, and this may include counselling where appropriate, in addition to practical information and advice.

### 3.2.7 **Equality, Diversity and Inclusion Training**

3.2.7.1 In order to ensure that all staff understand the importance of equality, diversity and inclusion in achieving OVH's vision, mission and that it is in keeping with its values, a comprehensive and mandatory programme of equality training will be provided. The interactive training will cover:
