Originator:	Policy and Strategy Team
Executive Management Team Approval Date:	June 2024
Review date:	June 2027

1	Introduction
1.1	As considerate landlord, One Vision Housing (OVH) provide support to existing customers and housing applicants moving into OVH properties that are vulnerable and experiencing hardship at times when they need it most.
1.2	OVH recognises that due to their personal circumstances or being unable to support themselves financially, some customers require additional assistance to sustain their tenancies or when moving into a new home. One of the ways OVH provides this additional support is through the provision of Furniture Packages.
1.3	This Policy sets out the rationale for allocating Furniture Packages to support OVH customers to sustain their tenancies and the conditions that will apply to customers.
1.4	The application of this Policy also ensures compliance with the outcomes of the Regulatory Framework for Social Housing in England adopted by the Regulator for Social Housing as outlined below: <ul style="list-style-type: none"> In relation to the housing and landlord services they provide, registered providers must take action to deliver fair and equitable outcomes for tenants and, where relevant, prospective tenants.
1.5	Access and Communication
1.5.1	OVH is committed to ensuring that its services are accessible to everyone. OVH will seek alternative methods of access and service delivery where barriers, perceived or real may exist, that may make it difficult for people to work for it or use its services.
1.5.2	Working with our customers we have established a Vulnerable Persons and Reasonable Adjustments Policy to ensure we make best use of every customer interaction to meet customers' needs in our service delivery and ensure this information is kept up to date.
1.6	Equality, Diversity and Human Rights
1.6.1	OVH is committed to ensuring that no person or group of persons will be treated less favourably than another person or group of persons and will carry out its duty with positive regard for the following core strands of equality; Age, Disability, Gender, Race, Gender

<p>1.6.2</p> <p>1.6.3</p> <p>1.7</p>	<p>Identity / Gender Expression, Sexual Orientation, Religion and / or Belief, Marriage and Civil Partnership, Pregnancy and Maternity.</p> <p>OVH also recognise that some people experience disadvantage due to their socio-economic circumstances, employment status, class, appearance, responsibility for dependants, unrelated criminal activities, being HIV positive or with AIDS, or any other matter which causes a person to be treated with injustice.</p> <p>OVH will also ensure that all services and actions are delivered within the context of current Human Rights legislation. OVH will endeavour to ensure staff and others with whom it works, will adhere to the central principles of the Human Rights Act (1998).</p> <p>The Policy should be read in conjunction with the following:</p> <ul style="list-style-type: none"> • OVH Complaints, Appeals and Feedback Policy

To ensure the best use of limited resources and to offer support to those most in need, eligibility criteria will be applied to applicants seeking this type of support or where referrals are made by OVH staff / partner agencies.</p> <p>OVH will ensure that all furniture and facilities provided as part of a Furniture Package meet the relevant British Standards and the Furniture and Furnishings (Fire) (Safety) Regulations 1988 – Amended 1993 (or subsequent standards as introduced).</p> <p>As a minimum, OVH will arrange for an annual inspection of all items and carry out Portable Appliance Testing (PAT) for electrical goods supplied in all Furniture Packages. Priority will be given, but will not be restricted to, those that meet one or more of the following criteria:</p> <ul style="list-style-type: none"> • Those claiming Income Support • Those claiming Income related Employment and Support Allowance • Those claiming Income based Jobseeker’s Allowance • Those who receive Universal Credit • Those claiming Pension Credit • Those who have limited household income • Those who need help to stay in their own home and not in residential care or hospital • Those with a family experiencing exceptional pressure • Those who are vulnerable older persons • Those who are fleeing domestic violence or have been referred by MARAC • Those who are young persons’ leaving care • Those moving out of institutional or residential care e.g. hospital, care home or hostel • Those who are ex-offenders leaving prison or detention centre • Those who are chronically or terminally ill • Those who have disability <p>OVH will give priority to those in greatest need and where complete furniture packages are required, that are likely to provide the most assistance in sustaining a tenancy. OVH will therefore triage all live applications or referrals on this basis.</p> <p>OVH will also assess an applicant’s income to determine their ability to pay for a Furniture Package including benefits entitlement and evidence of other income (i.e. employment).</p> <p>Decisions to allocate a Furniture Package will also be determined by the availability of Furniture Packages funding at the time of the application. If no Furniture Package funding is</p>

available or the applicant does not meet the criteria outlined above, the Furnished Tenancy Officer will provide advice and signpost them to alternative options.

3.2 Right to Appeal Decisions

3.2.1 Following assessment of circumstances, the Furnished Tenancy Officer will write to all applicants or those that are referred to the service, outlining the decision, as soon as is practically possible.

3.2.2 Where applicants are refused a package, the letter will outline the reasons for the decision and advise the applicant of their right to appeal (See the OVH Customers, Appeals and Feedback Policy for details).

3.3 Furniture Packages

3.3.1 OVH will tailor the Furniture Package according to the applicants' needs. Applicants who are accepted for Furniture Packages will effectively be able to choose from a menu of standard items, including white goods and furniture and a charge will be levied in relation to the level of package provided.

3.3.2 All furniture and goods that are supplied in the Furniture Package will be purchased from new and OVH will ensure their delivery and safe installation once the package required is agreed with prospective customers (usually before a move-in date is agreed or as soon after this date as is practical). This will include the installation of any white goods by a competent tradesperson.

3.3.3 Depending on their circumstances, applicants that are accepted for a Furniture Package may increase the level of support required at a future date and the charges applied will be amended accordingly.

3.3.4 After five years, OVH will review personal circumstances of existing customers to assess if their situation has changed; this review will include any tenancy management issues (i.e. rent arrears and ASB record) and ability to pay for the Package (i.e. evidence of benefits receipts). The outcome of this review may mean that the Furniture Package is removed from the customer.

3.3.5 Customers who have a Furniture Package that need to move from one OVH property to another for any reason, will be allowed to take the package with them when they move, provided it is suitable for their new home.

3.3.6 In these circumstances OVH will not provide any assistance in the transportation of the items. It will be the responsibility of the customer to ensure the safe transport of furniture items provided as part of a package from one OVH property to another. Customers will not be able to take the package to another housing provider.

3.5.2	If after thorough investigation, OVH considers damage to furniture items to have been caused by wilful neglect or a deliberate act on the customers’ behalf, it will recharge for replacement costs and OVH will report the damage to the Police.
3.5.3	Customers in receipt of a Furniture Package are obliged to report any theft of furniture items from their properties to the Police and OVH and obtain a crime reference number. 3.6	Disposal of Furniture
3.6.1	When furniture and other items supplied as part of Furniture Packages are either no longer required or have reached the end of their notional life (5 years), OVH will remove them from properties. An assessment will then be made of the condition to determine their future use.
3.6.2	All furniture will be safely disposed in accordance with the requirements of the Waste Electronic and Electrical Equipment Regulations (WEEE) 2006 – as amended and the Furniture and Furnishings (Fire) (Safety) Regulations 1988 -Amended 1993.
