1.2	The Policy also sets out how OVH will provide advice to customers who choose (and are eligible) to receive the service and signpost them to relevant agencies as required.
1.3	The application of this Policy ensures compliance with the outcomes of the Regulatory Framework for Social Housing (RSH) in England as outlined below: <ul style="list-style-type: none"> • Registered providers shall offer tenancies or terms of occupation which are compatible with the purpose of the accommodation, the needs of individual households, the sustainability of the community, and the efficient use of their housing stock

1.4.2	Working with our customers we have established a Vulnerable Persons and Reasonable Adjustments Policy to ensure we make best use of every customer interaction to meet customers' needs in our service delivery and ensure this information is kept up to date.

3	Policy
3.1	Fair Access
3.1.1	OVH will only make a formal offer for its Independent Living Service once a pre-tenancy needs and risk assessment has been carried out and an appropriate level of need and risk identified. This is regardless of the way in which an individual attempts to access the service e.g. bidding through regional Choice Based Lettings schemes, or internal / external referral.
3.1.2	If an applicant is unsuccessful in a bid for any reason, even though he or she may have been assessed as having an appropriate level of need, the assessment will be considered current for six months. This is subject to any changes in circumstance being notified if a further bid is made within that time period.
3.1.3	After a period of six months a new assessment must be undertaken should any further bids or referrals for the service be made.
3.1.4	If the assessment indicates the service would meet the needs of the applicant and risks are manageable, the applicant will be informed. If the service is suitable but the property is unsuitable in line with the Property Pool Plus (Choice-Based Lettings Scheme) allocation criteria, then the property will not be offered irrespective of the suitability of the service.
3.1.5	Any concerns over the issues raised in the assessment will be forwarded to an Independent Living Team Leader or in their absence the Head of Independent Living prior to a final decision being made.
3.1.6	Where an assessment indicates needs are too high to be met by the service, the applicant will be informed in writing by the Independent Living Officer undertaking the assessment (including reasons for refusal) and signposting advice will be provided to other services that may be more suitable.
3.1.7	A copy of the letter will be provided to any referring agencies unless the applicant has requested that this is not done.
3.1.8	Where needs are assessed as being too high, The Independent Living Team Leaders or in their absence the Head of Independent Living will consider offering a service if a written guarantee of additional support services with other agencies is received and is deemed to be sufficient to maintain independent living.
3.1.9	This written guarantee will form part of the Housing Action Plan and a multi-agency approach to support will be taken with reference to (or development of) joint-working and information sharing protocols as appropriate.
3.1.10	For all refusals to offer the Independent Living Service, the applicant will have the right to appeal using OVH's Complaints, Appeals and Feedback Policy. It should be noted that the property the applicant has applied for will not be held vacant whilst the appeals process takes place.

<p>3.2</p> <p>3.2.1</p> <p>3.2.2</p> <p>3.2.3</p> <p>3.3</p> <p>3.3.1</p> <p>3.3.2</p> <p>3.3.3</p> <p>3.3.4</p> <p>3.3.5</p> <p>3.3.6</p> <p>3.3.7</p>	<p>Review of suitability for service</p> <p>An assessment of the suitability of the service will take place on the annual review of the Housing Action Plan, when circumstances change or if the customers behaviour indicates the tenancy may be at risk.</p> <p>If the customer refuses to engage, a review will take place in their absence and be approved by the Team Leader to ensure fairness and consistency. The review may include a representative of the Neighbourhood Housing and / or Community Safety teams.</p> <p>Where it is appropriate, other support providers including family or carers will be given the opportunity to be involved in the review of the Housing Action Plan.</p> <p>Move On / Exit</p> <p>In Retirement Housing Schemes, it is anticipated that the service will continue for the length of the tenancy. Where customers move-on because of changed circumstances or increasing / decreasing need, support will be provided to them to help them find alternative accommodation and an exit survey will be completed.</p> <p>Where the level of need becomes too great that people cannot safely remain in their accommodation or where behaviour such as anti-social behaviour means that individuals are in breach of tenancy, a case conference will take place with all key support agencies and services invited to ensure issues are addressed.</p> <p>Support will be provided to the individual to ensure they are able to understand the implications of their behaviour including an assessment of capacity by an appropriate medical practitioner, where required. Where possible Housing Action Plans will identify additional support services that may enable the tenancy to be maintained.</p> <p>Where it becomes apparent that an Independent Living customer is in danger of losing their tenancy for any reason (including where additional support is provided by outside agencies) the Head of Independent Living will be advised and liaise with the relevant OVH Managers to ensure support is provided.</p> <p>Advice will be given immediately the tenancy is known to be at risk about independent advocacy. The Housing Action Plan will clearly record any advice and support given to access external services.</p> <p>Where a tenancy is ended in such circumstances a review of lessons learned will be undertaken by the Independent Living Team Leader clearly identifying the steps taken, support provided and any service improvements that need to be made as a result.</p> <p>An audit of access to and exits from the service will be undertaken every quarter to ensure fairness and transparency and promote service improvements.</p>
